CORPORATE PARTNERSHIP OPPORTUNITIES

Partnership is critical to sustaining our work as we expand our capacity to respond to community needs. While financial donations are needed and appreciated, support is more than money.

There are many ways to build a partnership with us including:

- Corporate donations
- Event sponsorships
- In-kind donations
- % of sale donations
- Hire 1Hood for DEI workshops and speaking engagements
- Invite us to share our story with your employees and network
- Matching Employee Gifts
- Matching/Challenge Grants
- Community Grants
- Volunteer Grants
- Extend your social capital - help us build relationships with individuals, businesses, organizations, and funders who share our values.
- What does values-aligned partnership with a non-profit look like for you? Let's talk!
